

AMENDMENT

\$24,970,000*

**WILLIAMSPORT SANITARY AUTHORITY
Lycoming County, Pennsylvania
Sewer Revenue Bonds, Series of 2019**

Please be advised Page 16 of the above-referenced Preliminary Official Statement has been revised as follows:

Bulk Wholesale Sewer Service

The Authority has existing treatment agreements and Memorandums of Understanding with four tributary communities for acceptance of sewage waste emanating from their boroughs/townships. These treatment agreements identify limits of flow and waste strength and provide penalties for exceeding the agreed upon limits. Amendments are made on a case-by-case basis to allow for additional flow and/or strength upon receipt of a predetermined capacity charge. The agreements also specify the billing methodology and allow for either party to terminate the agreement provided they give a 20-year notice of termination, except for South Williamsport whose termination notice is 10 years.
